REMARKS/ARGUMENTS

Claims 8-14 are pending in this application.

Applicant appreciates the Examiner's indication that Claims 9-13 would be allowable if rewritten in independent form including all of the features recited in the base claim and any intervening claims.

Claims 8 and 14 were rejected under 35 U.S.C. § 102(e) as being anticipated by Kobayashi (U.S. 7,046,096). Applicant respectfully traverses the rejection of Claims 8 and 14.

In accordance with MPEP § 201.15, Applicant submits herewith an English translation of the Japanese Priority Application, JP 2003-372207, and a Certification that certifies that the English translation of JP 2003-372207 is accurate. Thus, Applicant respectfully submits that Kobayashi does not qualify as prior art under 35 U.S.C. § 102(e) because the filing date of March 15, 2004 of Kobayashi is **after** the filing date of October 31, 2003 of JP 2003-372207, from which the present application claims priority.

In view of the foregoing remarks and the certified translation of JP 2003-372207, Applicant respectfully submits that Claims 8-14 are allowable.

In view of the foregoing remarks and the certified translation of JP 2003-372207, Applicant respectfully submits that this application is in condition for allowance. Favorable consideration and prompt allowance are solicited.
